

2024 SCHOLARSHIPS APPLICATION GUIDE

About the Scholarships and Bursaries

AVCAT scholarships and bursaries support students who study full-time at a university, TAFE, or registered training organisation within Australia. Scholarships provide financial assistance for up to three years and are awarded based on financial need, academic potential, and deservedness.

Long Tan Bursaries

The Australian Government Department of Veterans' Affairs funds the Long Tan Bursary for children and grandchildren of Vietnam Veterans. Eligible children of Vietnam Veterans are given priority.

Sponsored Scholarships

Ex-service organisations, corporate and private donors provide sponsored scholarships. [Click here](#) to see our sponsors.

Eligibility Criteria

Eligibility for a scholarship or bursary includes the following:

- Australian residency status.
- Planning to enrol or enrolled in a course of tertiary study recognised under the [Australian Qualifications Framework](#) for one or more academic years' duration at a university, TAFE or registered training organisation in Australia.
- Be studying or planning to study full-time online, face to face or a blend of both in 2024 and for the term of the scholarship. If an applicant is offered a scholarship in 2024 but has deferred from their course of study, they are no longer eligible and must reapply when they resume full-time study.
- Priority is given to those who have not previously undertaken tertiary education.
- Applicants who are seeking a scholarship for a second degree, or a graduate degree, Master, or Doctorate i.e., Australian Qualifications Framework Level 8 or above may

be considered for a scholarship but will be given lower priority. If an applicant has received a Long Tan Bursary, they cannot be considered for another Long Tan Bursary.

- In receipt of or eligible to receive a means-tested Commonwealth educational benefit including Youth Allowance, ABSTUDY, Austudy or Veterans' Children Education Scheme (VCES). Use the Services Australia [Payment and Service Finder](#) or contact educationschemes@dva.gov.au to see if you are eligible.
- Be a child or a grandchild of an ex-serving veteran. Children include adopted children, ex-nuptial children, stepchildren and foster children. Stepchildren and foster children must have resided with or been financially supported by their veteran stepparent or foster parent for 5 of the last 10 years. Grandchildren are defined as the children of one's son or daughter and must be the direct descendant of a veteran. Step-grandchildren are not eligible.
- The veteran must be an Australian ex-serving veteran with operational service including eligible war service, war-like service and peacekeeping/peacemaking service OR 3 or more continuous years of full-time other service, as a member of the Australian Navy, Army or Air Force. You can search the [Nominal Rolls](#) to obtain proof of service.
- People who are serving in the Reserve Forces (SERCAT 3, 4 & 5 – Rendering Service) are considered to be serving so the applicant child or grandchild is not eligible.
- Applicants need only complete one application form to be considered for all AVCAT scholarships and bursaries. Applicants will be considered for all scholarships for which they are eligible.

Important Information

Please note the following:

- It is a requirement of the application to provide academic results, an academic reference, detailed financial information, and other supporting documents. If this information is not provided an application cannot be considered.
- All scholarships and bursaries share common eligibility criteria. However, specific criteria may apply to individual scholarships, such as, born/living in a specific state/territory/postcode; membership of a particular association; the veteran's service in a specific conflict/battalion/particular section of the Australian Defence Force e.g., RAAF; or the course of study.
- Applications are assessed by independent assessors and AVCAT's National Selection Committee.
- The selection process is competitive and scholarship numbers are limited therefore, not all worthy and eligible applicants will receive a scholarship.
