Notes to and forming part of the financial statements

1. Corporate Information

The financial report includes the financial statements and notes of Australian Veterans' Children Assistance Trust Limited (the Company).

2. Summary of Significant Accounting Policies

a) Basis of Preparation

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Charities and Not-for-profits Commission Act 2012. Australian Veterans' Children Assistance Trust Limited is a not-for-profit entity for the purpose of preparing the financial statements.

The financial statements for the year ended 31 December 2021 were approved and authorised for issue by the Board of Responsible Entities on 24 May 2022.

The significant accounting policies that have been used in the preparation of these financial statements are summarised below.

The financial statements have been prepared using the measurement bases specified by the Australian Accounting Standards for each type of asset, liability, income and expense. The measurement bases are more fully described in the accounting policies below.

b) New standards applicable in the current accounting period

There were no new accounting standards applicable in the current year.

c) Significant accounting judgements, estimates and assumptions

The preparation of Financial Statements requires Management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances, the outcomes of which form the basis of making the judgements. Actual outcomes may differ from these estimates. The accounting policies have been consistently applied by the Company.

(d) Revenue Recognition

Income comprises administration fees from sponsors, interest and donations and, is recognised on an accruals basis. Revenue from Government and Scholarship Sponsors is recognised in the Statement of Comprehensive Income.

AUSTRALIAN VETERANS' CHILDREN ASSISTANCE TRUST LIMITED
(A Company Limited by Guarantee)
ABN 50 008 609 032

Revenue is recognised when the amount of revenue can be measured reliably, collection is probable, the costs incurred or to be incurred can be measured reliably, and when the criteria for each of the Company's different activities have been met. Details of the activity-specific recognition criteria are described below.

Interest income

Interest income is recognised on an accruals basis using the effective interest method.

Cash at bank earns interest at floating interest rates based on daily deposit rates. Term deposits are made for varying periods of between two and nine months. These deposits earn interest at market rates.

(e) Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the relevant category.

Management and administration costs are those incurred in connection with the administration of the Company and compliance with constitutional and statutory requirements.

Volunteer services

A number of volunteers, including Directors and members of Committees, donate a significant amount of their time to the activities of the entity. A reliable estimate of the value of these volunteer services for accounting purposes is difficult to ascertain and hence is not reflected in the financial statements as either revenue or expenses.

(f) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

(g) Receivables

Receivables comprise accrued interest, administration fees and prepayments.

(h) Trade Creditors and Other Payables

Trade creditors and other payables comprise liabilities for goods and services provided to the Company before the end of the financial year that are unpaid. These amounts are usually settled in 30 days.

(i) Employee Benefits

Employee Benefits comprise salaries, annual leave and contributions to superannuation plans.

AUSTRALIAN VETERANS' CHILDREN ASSISTANCE TRUST LIMITED
(A Company Limited by Guarantee)
ABN 50 008 609 032

(i) *Salaries and Annual Leave*

Liabilities for salaries and annual leave are recognised, and are measured as the amount unpaid at the reporting date at current remuneration levels in respect of employees' services up to that date.

(ii) *Superannuation*

The Company pays contributions to external superannuation plans. Contributions are recognised in the Statement of Profit or Loss and Other Comprehensive Income when they are due. The Company has no obligation to pay further contributions to these plans if the plans do not hold sufficient assets to pay all employee benefits relating to employee service in current and prior periods.

(j) Taxation

Income Tax

The Company is a charitable institution for the purposes of Australian taxation legislation and is therefore exempt from income tax. This exemption has been confirmed by the Australian Taxation Office. The Company holds tax deductible gift recipient status.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Registered Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Responsible Entities.

- Conclude on the appropriateness of the Responsible Entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Registered Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Registered Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
